7. Any Other Business with the Permission of the Chair

With the permission of the Chair, the following matters, i.e., suggestions received from members were placed before the General Body for discussion in future EC meetings and necessary action.

1. Sri Anamthatmakula Subbarao suggested that the Society may consider conducting two General Body Meetings (AGMs) in a year. (However, considering the size and functioning of GVSS, it was observed that the Societies Registration Act does not mandate the conduct of two AGMs in a year, and one Annual General Body Meeting is sufficient to meet the statutory requirement, subject to the provisions of the Society's By-Laws)
2. Sri Suntosh suggested that the names and designations of the signatories be clearly mentioned below their signatures on all important documents of the Society, in the interest of transparency and proper record keeping.
3. Sri Avasarala Ratnakara Rao advised that, subject to maintaining the required operational balance in the Savings Bank accounts, the surplus funds may be transferred to Fixed Deposits, by fixing an appropriate minimum balance limit, to earn better interest for the benefit of the Society.

4. Sri Ramavarapu Nageswara Rao suggested that the By-laws of the Society be printed in both Telugu and English and made available to members, possibly at a nominal cost, so that members can easily understand and refer to the provisions governing the Society.
5. Sri A G Ramarao suggested that the budget proposals and estimated expenditure for major events and programmes be placed before the members in advance, wherever practicable, to promote greater transparency and enable members to have an overall understanding of the proposed expenditure.
6. Sri Raghu Punnamaraju opined that, as the Executive Committee has been elected by the members with their confidence and mandate, it should be entrusted with adequate administrative and operational powers to effectively manage the day-to-day affairs and programs of the Society.

It was noted that all the above suggestions would be taken for detailed discussion and suitable action, wherever considered appropriate, in the forthcoming meetings of the Executive Committee.
